2025 Season Fundraising

Cheyenne Extreme, the competitive division of the Cheyenne Girls Softball Association, is the most successful girls' fast pitch softball program in the state of Wyoming. We have established ourselves as a premier competitive organization, winning at local, state, regional, and national levels. Sustaining a successful program requires funding. The girls playing for Cheyenne Extreme have the opportunity to cover their playing fees and postseason expenses through fundraising.

Two options to help the team and players are as follows:

Adopt the Team Sponsorship

- Any cash donation, any amount.
- For donations of \$250 or more, you'll receive recognition on our website.

Banner Sales

- Purchase a banner to hang in the outfield of field 3 at Converse Softball Complex
- Provides exposure during youth and adult softball from April to September
- \$500 first time fee for new banners, \$150 to purchase banner, \$350 to player
- \$250 to renew each year after, as long as banner is still in good condition (\$250 to player)
- You'll also receive recognition on our website and Facebook (1.4K Followers).

Thank you for considering a sponsorship of Cheyenne Extreme!
